"The rush of tourists from America has begun. The Savoy is one of London's big hotels which is full. Never so early in the season has there been such a demand for suites of apartments. Hours before the 'Carmania' was in sight of land Wireless Telegrams were arriving at the booking offices of the Savoy, and soon every free suite was ready for its occupants."

—From "The New York Herald" (Paris.)

The comforts and luxury of the SAVOY HOTEL, its cuisine and service, combined with the most moderate charges, place it absolutely in the front rank of all hotels in Europe. The beautiful suites, with bathrooms attached, overlooking the River Thames and Embankment Gardens, away from the noise and bustle of street traffic, although in the centre of London, are greatly appreciated by all American travellers.
